

Online Art Competition on

World Environment Day

Entry Open from: 15th May 2020

Last Date of submission form: 2nd June 2020 till 11:59 PM

World Environment day 2020 is being celebrated with the theme BIO-Diversity for encouraging awareness and action to protect our environment. Biodiversity consists of different kinds of life found in one area-the variety of animals, plants, fungi, even microorganisms and their interactions in ecosystems, like intricate web, to maintain balance and support life. Bihar has large variety of flora, fauna and landscape. Despite only about 7% of its area being under natural forest, it has a large variety. Similarly it has number of places having scenic importance and natural beauty which are actual or potential sites of ecotourism. The Department and Bihar State Pollution Control Board envisages to let the people, wherever they are, all over the world to express their feelings through, Paintings, Sketching, Digital Art and Photography. So under the aegis of Department, an online art competition is being organized on this occasion. Obviously, the theme of all the artistic creations have to be situated within the State of Bihar, but the entries can come from anywhere in the world.

About Department of Forest, Environment and Climate Change

Department of Environment, Forest & Climate Change, is the nodal department in the administrative structure of the Bihar Government for planning, promotion, coordination and overseeing the implementation of Bihar's environmental and forestry policies and programs.

Principal objectives of the Department

1. To protect and improve the natural environment including forests, wildlife, wetlands, climate change, bio-diversity and to rehabilitate the natural ecological system (eco-system).
2. To create biological resources for catering to various needs of the people on sustainable basis.
3. To increase tree cover outside forests to achieve the goal of adequate greenery in the state as envisaged in the National Forest Policy.
4. To implement the provisions under various Acts/Rules related to forest, wildlife, environment and climate change.
5. To strive to achieve the overall goal of the National Forest Policy 1988 with respect to the State of Bihar.

Key Functions

1. Protection for wildlife such as birds, animals, reptiles' amphibians etc.
2. Develop Zoological and Botanical gardens.
3. Environmental Conservation and its Protection.
4. Environment Research and Education.
5. Environment Planning and Co-ordination in Urban and Rural Areas.
6. Bihar State Pollution Control Board is a regulatory authority for implementing various Pollution Control laws and committed to provide pollution free environment to the people of State.
